A NEW MUSIC BOOK, on the New York Musical Review,

New York Mosteal Roview,

FOR NOTHING!

We have in press, and shall publish in October, "ASAPH.or THE CHOIR BOOK;" a new collection of Church Music for Singing Schools and Choirs, by Dr. Lowenth Mason. Dr. Mason's last similar works, published in 18%, reached the enormous sale in its first year, of over \$5,000 copies, which is, we are confident, the largest sale ever enjoyed, in its first years, of yers \$5,000 copies, which is, we are confident, the largest sale ever enjoyed, in its first season, by any Church Music Book by a single author. The work now in press will embrace meanly all new matter, while with great care from numerous sources, such, as it is believed, will be of the highest interest to Choirs and Singing Schools. Its Singing School Department is more extensive and nomplete than in any previous work, being, indeed, a complete work in itself, and forming an extensive collection of secular music, the words, as well as music, to which, are nearly all quite new. Retail price, one dollar, we publish, also, THE NEW YORK MUSICAL REVIEW, a fertnightly journal of sixteen quarto paces, including four pages of choice music in each number, with twolve pages of reading matter, including frequent articles from the leading musicians of the country, with all the sunical news, &c., &c. Subscription, \$1,00 per annum.

In view of the preacet hard times, and with the purpose of obtaining a wide circulation for specimen copies of Dr. Mason's new work, we are induced to make the lollowing liberal offer, viz. To every one sending us, before let November, one dollar, (the price of subscription to the Review,) we will furnish the paper for a year, and also, as soon assisued, a copy of Dr. Máson's new work above annual, must inclose twenty-four rents, to pay postage, in advance.

Look into this room. It is small, and has only one occupant. Look around upon the furniture. All is very neat but very plain. The hand of poverty is here. It is the home of a child of God, alone in her young life in this great city. It is the abode of a poor young sewing woman .--She has seen better days. But alas! her prospects were soon under the deep, dark cloud of honeless poverty. Yet she is a child of hopeless poverty. Yet she is a child of the coverant and a child of grace. This is her closet for prayer, as well as her place for plying the needle in unceasing toil to support herself by houest industry, Often employment fails, and then she

A WORD OF CAUTION.

III I has been estimated that over Two Hundred Thousand Dollars are paid swinding ouacks annually in New England alone; and that, too, without any benefit to those who pay it. All this comes from trusting, voithout ingury, to men who are aithe destitute of honor, character or skill, and whose only recommendation is their and whose only recommendation is their ative destitute of honor, character or skill, and whose only recommendation is their com lake and character. The only way to avoid imposition is to take no man's word, no matter what his pretensions are, but Maike INGUIRY. It will cost you nothing, and may save you many regret; for, as advertising physicians in mine cases out often are hogus, there is no safety in trueting any of them unless you know who and what they are.

Dr. M. will send free, by enclosing one stamps above, a Pamphlet on DISKASES OF WOMEN, and on Private Discases generally; giving full information, with the most undoubted reference and testimonical without which no advertising physician, or medicine of this kind is deserving of ANY CONFIDENCE WHATEVER.
